Golf

Golf is a true passion at Carden Park and we boast two fantastic Championship courses, as well as our golf school. Our facilities are world class, and will suit any golfer looking for a challenge. This is golf at its best.

Amenities

The facilities at Carden Park make it the perfect golf resort for weekend breaks. There is a highly regarded and well equipped Golf School, driving range with covered bays, a brilliant Pro shop and Clubhouse.

- **Golf School** - Visit the Golf School to work on any aspect of your game. Head Pro Steve Priest and his team can improve you technically, physically, & mentally. A comprehensive Custom Fit and repairs centre is also available.
- **Trolley Hire** - Consider hiring a golf buggy for your round. The Club has recently bought 70, all with GPS. They have several advantages, the main one being that rounds are speeded up so you are much less likely to be held up on the tees.
- **Practice Range** - Gary Player was once asked about all his 'lucky' shots; He said, "The more I practice, the luckier I get". At Carden Park you have absolutely no excuse for not following his advice. You can practice rain or shine at our 13-bay, covered driving range.
- **19th Hole** - Our recently refurbished golf club is a great place to recount the triumphs of your round, with panoramic views over the course. The food is unfussy, but deliciously prepared, to replenish even the most famished golfer.

Rules and Etiquette

You may not need a handicap certificate to play the course, but the rules and etiquette of golf must be observed at all times including safety, consideration for other players, pace of play and care of the course.

Dress

No denim, jeans or tracksuits are allowed. Trousers or tailored shorts must be worn and all shirts must have a collar. Soft spike golf shoes must be worn on the course (however, trainers are permitted in special circumstances). Spike shoes may not be worn in any part of the hotel with the exception of the Golf Shop and Driving Range.
