**Course Overview**

[Site Map](#)

**Golf course**

*View from above the 12th hole*

The 18 holes are gently undulating. While playing there are captivating panoramic views of the curving Conwy Bay, the Great Orme and in the distance the Snowdonia mountains, Isle of Anglesey and Puffin Island. The championship course, over 6500 yards, is varied and interesting. A good score is achieved with careful putting on the undulating greens.
