

## MERSEY VALLEY GOLF & COUNTRY CLUB - Golf Course and Shop

### Course

It is a par 72 18-hole course designed and constructed by **St Mellion Leisure** the development side of St Mellion International. Gently undulating with no hills or gradients and therefore attractive to golfers of all ages and abilities, sensitively designed to be environmentally attractive with thousand trees planted and wildlife habitats created. The greens are generally large and provided a quality-putting surface. Fairways are wide and generous. All the trees are elevated including the forward tees but the greatest feature is the superb drainage and at 6,300 yards still provides a testing round of golf.

### Clubhouse

The clubhouse accommodates The Members Lounge, which has an excellent reputation for quality food and drink at affordable prices which members and visitor's can enjoy alike. We pride ourselves on our relaxed friendly atmosphere with the emphasis on having an enjoyable time at the 19<sup>th</sup> with like-minded people. On the second floor, there is the superb St Mellion Suite, which overlooks the 18<sup>th</sup> green, offering outstanding views across the course.
