

Moreton Grange Golf Society

Handicap Principle 2009

All members/Players will be allocated a realistic handicap at the onset of the Season. This handicap will replace all other handicaps both R&A and old Society handicaps.

Adjustments

Handicaps will be adjusted throughout the Season either up or down to reflect the player's ability at Society levels only. Any adjustments made will be discussed and voted on by the handicap committee before being applied.

Shot Reductions

Shots will be deducted on the following occasions.

- A Winner 2 Shots
- B Runner up 1 Shot
- C After a 3 card review if required
- D Rule 19 if applicable

Shots will be re applied for winners/ runners up at a rate of 1 shot per venue providing the player/Players are not placed at winner/runner up. None attendance will not apply.

Shots may also be re applied on completion of 3-card review.

Competitions

All competitions throughout the year will be played applying the Society handicap system, regardless of the player's official handicap if held.

All adjustments before applied will be discussed and voted on by the handicap committee
